Bloomington, Indiana University, Bloomington, Lilly Library at Indiana University, Poole 82

Description: One leaf - Not bound, but attached to the stub of a ninetheeth-century parchment sheet ruled in red ink. - The Abbey of St-Vaast in Arras; Sir Thomas Phillips (1792-1872), part of his MS 22229; from the collection of specimen leaves formed by Messrs. W.H. Robinson, who bought the residue of the Phillips Library in 1945-46, sold by them to George A. Poole in 1947, and acquired by the Lilly Library with the Poole Collection in 1958. - Phillipps 1837-71, p. 413; Schenkl 1892, p. 147; faye and Bond 1962, p. 183; Bischoff 1998, p. 30, no.111.

Notes:-Stained and wormed. Apparently part of the miscellaneous leaves cut from books in the new municipal library in Arras in 1810. It is the leaf now missing between f.2 and f.3 of Arras, Blbliothèque municpale, ms 1079 (Catalogue general IV, 1872, pp. 104-5, no. 235), which was listed at St-Vaast by 1628, when it was A.148 in the library catalogue. It is almost certainly the oldest manuscript of Alcuin's text.
